

## **Call for Papers**

You are kindly invited to submit abstracts describing original research work on EUS and very instructive clinical cases that you wish to present at the congress as an oral communication. Please read the following guidelines for the submission of abstracts carefully before submitting your abstract:.

1. Authors presenting abstracts must be registered participants.
2. Abstracts can only be submitted in English and only to the address to the right.
3. Titles should contain no more than 70 characters, including space. The rest of the abstract text should contain no more than 250 words.
4. Authors' name, institution and city should be included. Please omit titles and degrees.
5. Single space all typing. Do not leave blank lines. Use standard abbreviations. Place a special or unusual abbreviation in parenthesis after the full word the first time it appears.
6. The abstract should be informative and clearly structured, containing:
  - an introduction with a brief statement of the study's specific objectives;
  - a summary of the results obtained;
  - a statement of the conclusions.
7. Please avoid references. However, if references are used they should be included in the text as: (Authors, journal, year, volume, pages).
8. Abstracts, which do not conform to the guidelines, will be returned to their authors for correction.
